Fine** for coin, smooth dark brown; excellent sharp strike, everything on flan including **complete date**, which is the case on only a few specimens of this rarity. Extraordinary quality; best we’ve handled. Ex Ira Reed auction, March 30, 1946, lot 579. **Plate**

## UNITED STATES GOLD COINS

- 931 **Dollars.** 1849. **Small head, no L.** Breen I-1, with the very rare rev. die break in the most advanced state recorded. Brilliant Uncirculated, faint signs of handling. Ex H. Chapman, Jan. 12, 1931.

- 934 1856. Type III as always. Slanting 5, heavy 6. B. II-1. Very Fine plus.
- 935 **1857 "C".** B-1, high C leaning to r., low date slanting down, but before the lump developed in obv. field. Very Fine, soft strike as usual, planchet defect at left obv. rim. Rare.
- 936 1847. B-10; only L on coronet, centered date well to left. Borderline Uncirculated. obv. softly struck, rev. nicer. Rare.

- 945 **1883**. B-1 (only on proofs): low date. Brilliant **Proof**, choice, pristine. Very few of the 82 minted survive in this quality. **Plate**
- 946 **1887**. About Uncirculated, lustrous, minute signs of handling.
- 947 **1892**. Brilliant **Proof**, faint hairlines. Very rare. Many of the 105 minted are frankly impaired, and very few are notably better than this one. Worth the full Guide Book price of \$650.00. **Plate**
- 948 1893. About Uncirculated, much mint brilliance, rev. finer than obv.
- 949 1907. Final year of the design. Heavy recut 19. Brilliant, frosty choice Uncirculated.

Lot No. 967

- 967 **Double Eagles. 1850.** Closed 5, cracks through legend except CA. Extra Brilliant, sharply struck, frosty **gem Uncirculated, superb.** The finest we have ever seen! Prohibitively rare in full mint state, and always known to be so. In 1890 the Chapman Brothers sold a comparable piece in the Cleneay auction, and illustrated it; the resulting price equalled that of an 1864 proof. In the second J.F. Bell sale, nine years ago, another one, not as nice, was also illustrated, and brought a middle three figure price slightly above the VF 1871 CC. Truly extraordinary. **Plate**
- 968 St. Gaudens. MCMVII. Wire edge. Brilliant choice Uncirculated, exceptionally free of bag marks or other abrasions except for a few on the outer left obv. knife-rim. Far above average. Superior to the piece that brought \$1,000. in the 1971 ANA Convention sale. **Plate**
- 969 1908. No motto. Second type: long rays, one touching branch. Ex. Fine.
- 970 1915. Almost Uncirculated, brilliant, bag marked. Scarce.
- 971 1924. Ex. Fine or better.
- 972 **Private and Pioneer Gold. Christopher Bechtler. n.d. (1834-37?).** Dollar. ONE DOLLAR CAROLINA, 28 G , N reversed. Ex. Fine but scratched.
- 973 August Bechtler. n.d. (1842-46). Dollar, usual type, 27 G. 21 C. Early die state, partial borders visible, no die rust, faintest cracks. Better than Ex. Fine, much mint lustre at letters.
- 974 **"State of Deseret."** Mormons. 1850. Five Dollars. Nine stars around mitre and eye. Rev. clasped hands above date. Fine or better, usual uneven strike, obv. stronger than rev. but with tiny rim nick above P. Very rare in any grade. **Plate**
- 975 **Fractional California Gold Coins. Octagonal Quarter Dollar.** 1856. Large Liberty head, 8 stars, FD on coronet. K.W. Lee 9A. Ex. Fine, rudely struck, toned, showing plain die clash marks.
- 976 1859. Large Liberty head, 10 stars. KWL 14A, same as Clarke 434. Ex. Fine, weak strike from clashed dies, date illegible as made.
- 977 **1875/3. Small Liberty head,** 13 tiny double punched stars, date away from bust. Rev. of Burnie-93A. **Unpublished.** This type not recorded for 1875 or 1873 with any reverse. Ex. Fine, nicked, bent.
- 978 **Round Quarter Dollar.** 1868. Indian head, 26 berries. Obv. of KWL 28A, B-64, new rev., no berry at R. Almost Uncirculated, rare, not earlier recorded.
- 979 **Octagonal Half Dollar.** 1881. Large Indian head. KWL 18A. Mostly Brilliant Proof. The new Lee book rates this as 8 to 10 known, and this is only the second we have seen.
- 980 **Round Half Dollars.** 1853. Liberty head, 13 stars. KWL 7A. Very Fine but loop removed; also, round  $\$ \frac{1}{4}$  size charm. 1915. Helmeted head. Rev. Bear. Uncirculated. 2 Pcs.
- 981 1876. Large Indian head. KWL 55A. Proof, edge test mark at top obv.
- 982 **Octagonal Dollar.** 1853. Liberty head, 13 stars. N on rev. KWL 4A. Ex. Fine or better.
- 983 **Round Dollar.** 1870. Liberty head, G and date below. KWL 5A, B-9. Practically Uncirculated, some prooflike surface. The only auction record in recent years was Clarke 689, which had a loop removed. Very rare and of the highest desirability. Valued at \$400. by Lee, but in this condition certainly worth more. **Plate**
- 984 **Alaska-Yukon-Pacific Exposition Souvenir.** 1909.  $\frac{1}{2}$  DWT. Miner with pickaxe. Rev. shield in wreath. Burnie 3, p. 73. More or less Uncirculated. One of the M.E. Hart official souvenirs; now very scarce.

# How to Weigh

## The Merits of an Auction Service

1. Check firm's reliability, reputation, and length of time in business. Refer to Dun & Bradstreet.
2. Investigate the terms and all charges. Ascertain the date of settlement.
3. Check insurance coverage.
4. Compare quality and amount of advertising.
5. Check location and facilities.
6. Determine the actual number of catalogues distributed, as well as the type of mailing list employed.

### And

7. Decide if conscientious attributions and meticulous attention to detail really "sell" your coins.
8. Decide if an authoritative presentation and fine plates are to your advantage.
9. Consider the added advantages of combined floor and mail bidding.
10. Consistently compare results, not only in reference to a few key lots, but throughout an entire catalogue.
